MAKE A LIGHT-UP BLOCK!

STEP 1. MAKE BLOCK

Fold paper in half.
 Color, cut, then paste
 together Block.

STEP 2. SET UP THE CIRCUIT

Stick copper tape on lines, wrap-
 ping from back around to the front.
 Tape the LED in place on the back
 (using regular tape.)

STEP 3. MAKE THE BUTTON

Fold along diagonal dotted line.
 Place coin cell battery in place with
 the flat (+) side down, and test out
 your button!
